Imagine arriving home after a hectic day at the office or kids activities to the wonderful smell of a home cooked meal. You go to your kitchen to find dinner warmed in the oven and many meals prepared and stored in the refrigerator and freezer. Your Personal Chef was here today!

A personal chef is your way to enjoy healthy delicious dinners in your own home, customized to your taste and dietary needs.

Rivka will come to your home with her own utensils, shop for your groceries, prepare your meals; then package and store them for you to enjoy at your leisure.

Rivka offers customized menus featuring a variety of healthful, mouthwatering dishes using the finest and freshest vegetables, top quality meats and fresh fish.
